EurolamTM

ACRYLIC LAMINATES

Euorlam Acrylic Laminates are superior interior panels which give your space a contemporary look, bestowing a fresh clean

European vibe with a luxurious and elegant finish.

This latest range by Eurolam is 6H Anti Scratch Acrylic Laminates, which has extremely high resistance to scratches and abrasions.

Tested extensively, these acrylic laminates do not lose their beauty or shine even when used in harsh conditions, which may leave other ordinary products with extensive scratch marks.

Made up of durable long lasting material, these panels offer the advantage of being more cost effective than back painted glass, looking as stylish as the latter.

Application : These laminates are versatile and can be used to dress up any indoor residential and commercial space, such as indoor wall coverings, kitchen shutters and wardrobes, to give an ultra high gloss surface in a unique range of designs and effects.

FAQs

How to avoid formation of air bubbles in acrylic sheets?

Do not bond sheets in extremely humid conditions

Only use PEVA and not any other water based synthetic resin

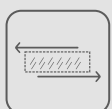

Do not let the substrate lose moisture

Ensure the substrate surface is even

During the bonding, press the laminate sufficiently

Do not use acrylic sheets larger than 8ft x 2ft long

Limited Warranty

EuroIam Products are tested to be reasonably free of defects, and when used and fabricated properly they will comply with the applicable manufacturing specifications within realistic deviations. We recommend customers to inspect products properly before installing. EuroIam warranty in no way covers defects and non-compliance from or otherwise attributable to any other causes, including, without limitation of the following:

- Improper handling / transportation / storage of EuroIam
- Improper installation of EuroIam
- Improper or unintended usage of EuroIam
- Lack of or improper maintenance of EuroIam
- Exposure to high temperatures
- Unauthorized alteration to the products
- Outdoor applications

- There will be no guarantee or exchange under any circumstances
- Color variations in products from different batches are possible
- We recommend using products from same batch to avoid color variations
- This brochure is for presentation purposes only. Actual colors may differ.
